RE: NATCEP – Revised Prohibitive Offense List

Dear NATCEP Instructors and Administrators:

It has come to our attention that additional offenses are recorded under Act 13 – Older Adults Protective Service Act (Act 169) and amended by Act 13 of 1997. This list is endorsed by the Department of Aging and long term care environments. For a nurse aide graduate to be eligible for employment in a long term care environment, it has been determined that the offense codes should be identical. Therefore, the attached and revised list of prohibitive offenses contained in Act 169, Act 13 and Act 14; the Nurse Aide Resident Abuse Prevention Training Act, must be implemented **immediately**. The following revisions and inclusions were made to the previous prohibitive offense list utilized by nurse aide training programs.

Offense Code	Description	Grading	Comment
CC3929.2	Unlawful Possession of Retail or Library Theft Instruments	2 Misdemeanors	A violation of 3929.2 can only constitute a misdemeanor. New inclusion
CC3934	Theft From a Motor Vehicle	1 Felony or 2 Misdemeanors	New inclusion
CS13A35 (i), (ii), (iii)	Illegal Sale of Non-Controlled Substance	Felony	CS13A35 not CS13A36. (i), etc. are sections of CS
CS13A36	Designer Drugs	Felony	CS13A36 not CS13A37.
CS13Axx*	Any Other Felony Drug Conviction Appearing on PA RAP Sheet	Felony	New inclusion

Please forward this information to individuals who assume responsibilities related to nurse aide training or reviewing and approving CHRI's.

Thank you.
