

Join the World Wide Pressure Ulcer Prevention Day Webinar

The National Pressure Ulcer Advisory Panel (NPUAP) is proud to announce that World Wide Pressure Ulcer Prevention Day is to be celebrated on:

November 20, 2014

Attend the free NPUAP sponsored webinar, supported by an educational grant from Hill-Rom:

<http://www.npuap.org/events/prediction-or-assessment-of-pressure-ulcer-risk-what-difference-does-this-make-in-practice/>

The objective of World Wide Pressure Ulcer Prevention Day is to increase national awareness for pressure ulcer prevention and to educate the public on this topic.

Hill-Rom® clinical solutions can help reduce pressure ulcers.
