2017 Post-Acute Care International Pressure Ulcer Prevalence™ Survey (IPUP)

Enhancing outcomes for
patients and their caregivers:

Hill-Rom

Post-Acute Care Survey Dates: February 1–March 3, 2017

Register for this survey online at www.hill-rom.com/ipup or by calling 888-467-4839.

Who can participate?

- Skilled nursing, long-term acute care and rehabilitation facilities around the world volunteer to participate in the data collection process.

What are the costs?

- The IPUP Survey and Report are offered at no cost to you. Just schedule your staff to conduct the survey and send Hill-Rom back the data for a complete analysis.

When is the 2017 survey?

- The survey window is between 2/01/2017 and 3/03/2017.
- You choose the day that best fits your needs.

Determine your goals.

- How do you compare to national pressure ulcer benchmarks?
- Are pressure ulcer prevention programs consistently followed at your facility?
- When was the last time pressure ulcer activity was measured at your facility?
- Would a pressure ulcer reporting process help your facility meet its goals?
- Is your facility prepared for the implementation of the Impact Act?

Registration Information

2017 Post-Acute Care Hill-Rom® International Pressure Ulcer Prevalence™ Survey

What does it include?

- Facility prevalence
- Prevalence by unit
- Benchmarks by market segment
- Multiple comparisons and benchmarks including:
 - Patient characteristics
 - Body mass index (BMI)
 - Protocol compliance
 - Wound risk
 - Census size/type
 - Geographic location
 - Incontinence management summary

How do you receive your confidential report?

- After completing the survey, Hill-Rom will send you an electronic file of your results.
- Additionally, your local Hill-Rom Account Manager can conduct a comprehensive survey review with guidance and suggestions on improving your facility's protocols.
