AGING INSTITUTE

of UPMC Senior Services and the University of Pittsburgh

This program is offered for 7 hours per day of social work continuing education through co-sponsorship of the University of Pittsburgh's School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA pre-approved provider of social continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For information on social work continuing education call (412) 624-3711.

Presenters have no disclosure. This continuing education activity is approved for 7 contact hours per day by the UPMC Provider Unit of the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. To receive contact hours, the participant must attend the entire session and complete the evaluation form.

The University of Pittsburgh is an affirmative action, equal opportunity institution.
