

2017 AGING INSTITUTE EDUCATIONAL TRAININGS

The Aging Institute is committed to creating new and innovative educational programs in the field of aging for all audiences including health care workers, caregivers and older adults.

GERIATRIC RESOURCE NURSE TRAINING: ASSESSMENT OF THE OLDER ADULT	
DATES AND LOCATIONS All classes run from 9 a.m. to 4 p.m.	
October 17	UPMC East 2775 Mosside Boulevard, Monroeville, PA 15146
<p>This conference focuses on older adult assessment and practical interventions to improve patient outcomes along the continuum. Following the event, at no extra cost, nurses can sit for an exam covering course content. Upon passing the exam, the Aging Institute issues a Geriatric Resource Nurse certificate.</p> <p>CE credits available: RN, Social Worker, General Certificate of Attendance</p> <p>Cost (includes lunch and free parking): UPMC Employees: \$35 Non UPMC Employees: \$45</p>	

GERIATRIC NURSE AIDE TRAINING	
DATES AND LOCATIONS All classes run from 9 a.m. to 4 p.m.	
August 22	UPMC Shadyside School of Nursing 5900 Baum Boulevard Pittsburgh, PA 15206
<p>Nursing assistants and patient care technicians spend the most time with older adults in healthcare settings. Course focuses on development of firm knowledge base and practical interventions of common geriatric syndromes. After the event, at no extra cost, attendees can sit for an exam covering course content. Upon passing, the Aging Institute issues a Geriatric Nursing Assistant or Geriatric Patient Care Technician certificate.</p> <p>Cost (includes lunch and free parking): UPMC Employees: \$25 Non UPMC Employees: \$30</p>	

CRITICAL THINKING SKILLS IN CARING FOR THE OLDER ADULT	
Ongoing	WISER Education and Simulation Labs 230 McKee Place, Suite 300 Pittsburgh, PA 15213
<p>Designed to address the complexity of caring for older adults, participants review history, medications and current atypical presentation of illness. Through live case scenarios and demonstration, participants differentiate between normal aging versus abnormal aging changes and anticipate potential adverse responses to treatment.</p> <p>Register at www.wiser.pitt.edu.</p>
