PADONA Scholarships Available

Don't wait! It's time to get those applications for scholarships submitted. The choices are many: you can submit for a coworker attending school that you feel needs financial assistance; you can submit for yourself for convention, for the DON course, or to further your education. The application can be found on our web site at www.padona.com. If your application is incomplete you will be sent only one e-mail reminder of what is needed to complete the application. PADONA is here to promote educational opportunities. Take advantage of all we have to offer. Scholarship winners are announced at our annual convention.

Take time to think about your educational needs or the needs of your employees. Don't wait - get your applications submitted. Any questions can be submitted to padonaadm@aol.com or to me (chair of our Scholarship Committee) at jptrjn@yahoo.com. We wish you luck, and hope you keep our committee busy with all those applications.
