

# PADONA 2016

## Mobile App

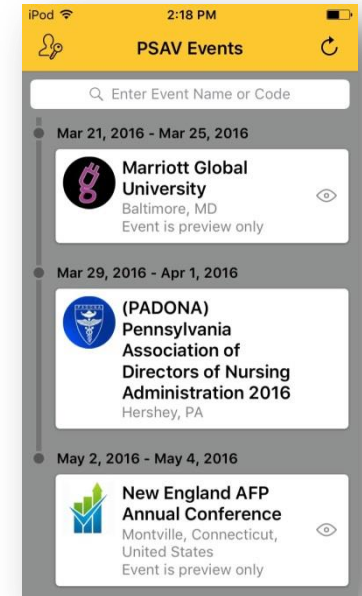

# PADONA 2016

1. Download the PSAV Events app to your device. This can be found in the iTunes or Google Play or click on this link [here](#).

2. Once downloaded, open the PSAV Event App and you will see **PADONA** event in the timeline. Press on it.

4. Enter the password **padona28** and the event will start to download

5. For those using a laptop, Blackberry or Windows Device, please click on the download link [here](#) then scroll to the bottom and chose Mobile Website. Click on the Padona event and you will have access to all the same info inside the application.
