PADONA Nursing Professional Development Specialist

PADONA is seeking a Nursing Professional Development Specialist. This position may be full- or part-time. The primary functions of this position include serving as an educator both internally and externally to the association; being a servant leader and mentor for the PADONA membership; working with and serving on the PADONA Board of Directors; and advancing the organization through educational programming that supports the nursing management and leadership positions in long term care, resource development and networking to meet the needs of members. Candidate must have knowledge and experience in adult learning and be able and willing to travel within the state.

Candidates applying for the position must have a minimum of five years' experience in a nursing management position in long term care, (Director of Nursing and/or NHA position) and possess a minimum of a bachelor's degree in nursing. A master's in nursing or education is preferred.

This position is an independent contractor of the organization.

Interested candidates should submit resume to:

Susan Piscator, Executive Director
