

The Wound Care Puzzle

Putting together the pieces for an intact solution

DATE: Thursday, October 9, 2014

LOCATION: Regional Learning Alliance
850 Cranberry Woods Drive
Cranberry Twp., PA 16066
www.theRLA.org

In the process of treating wounds there are many pieces that must come together to create an environment for healing. Having the correct knowledge and tools to assist you in this endeavor is crucial. BLACKBURN'S would like help you put the pieces of the puzzle together for better wound healing. We are offering a one day symposium that will provide you with a didactic component to help you gain the knowledge as well as a hands-on component to experience some of the tools that are available for use.

This unique symposium will offer Continuing Educational Credits (CEUs) that day as well as numerous free on-line CEU programs. A self-guided educational experience, in which some of the pieces of the puzzle will be addressed, will be presented in the afternoon and explained. In addition to the educational component, there will be an opportunity to see and feel the actual products available. Finally, when you complete the self-guided tour you will receive a gift bag of tools that will serve as a reference aid in your endeavors.

Who should attend? This event is for DONs, Wound Care Team members, Lymphedema Therapists, Nurses, Physical Therapists, and all health care professionals providing skin and wound care in Acute, Long Term Care, Rehab facilities, Wound Care Clinics, and Home Health Agencies.

Continuing Educational Credits This event will offer Continuing Educational Credits (CEUs) for various sections of the symposium. Attendees must register in advance and attend all sections to be eligible.
